Dear Customer,

It has been brought to our attention that there is a non-compliant website (www.nowsuplementos.com.br) that is operating under the guise that they are NOW Health Group Inc. (DBA NOW Foods). Please note that this website is **not affiliated**, sponsored or owned by NOW Foods nor has NOW Foods authorized this website to use or display any of its intellectual property. This is not an authorized reseller of NOW Foods' products. We are actively working to identify this seller and have this site removed. We expect to have this accomplished within the next 7-10 business days.

It is our main priority to ensure consumer safety, below is an official NOW Foods distribution partner. In order to guarantee you are purchasing authentic product, please purchase directly from the below partner.

www.nowfoodsbrasil.com.br

Thank you in advance for your attention to this matter.
